Advanced Editing - \$150.00/rendered minute (1 minute minimum)

- (Basic Editing Package)
- Editing and Rendering for DVD content
- Includes 1 DVD (no labels please)
- Additional DVDs available at \$5/dvd
 - Video: NTSC (720x480) – Audio: PCM Stereo

Advanced Editing - \$500.00 and up.

- ✚ (Basic and Advanced packages not included)
- ✚ ***On-site Video shoot by *Reiser's Edge*: *"We'll come to you!!!"*

* It is HIGHLY recommended that you provide ALL AVAILABLE footage in .avi format so we can include fantastic video captures from other areas. (see *metaphor #1*)

** Audio Restoration may be limited based on the original audio file properties. If the video you send contains audio that's distorted, we can't wave a magic wand that will "un-clip" the audio level. (see *metaphor #2*)

*** All payment for Advanced Editing due before we take the lens cap off.

[Poignant Metaphor #1]

"Only God himself can create something from nothing. The rest of us have to work with what we have."

[Poignant Metaphor #2]

"You can't polish a turd. All you can do is spray Febreze on it."
