# LASHER Profile

From the moment the lights ignite the stage, **LASHER** controls you. The **LASHER** show is a spectacle that's **Powerful, energy filled, and dynamically intense**. **LASHER**'s show is executed with all the energy and intensity of a lion tackling a gazelle. **LASHER** takes all the greatest rock from the 80's and today, forms it into a rock-solid ball, and hurls it at a ready to receive audience. Decades of combined performance experience lets you know **LASHER** is the REAL DEAL. From Iron Maiden to DIO, Static X to AFI and Skid Row to Queensryche, **LASHER** eagerly tackles selections considered too difficult for most bands to attempt. **LASHER** has a show your customers will talk about for months. **LASHER** knows entertainment.

Prepare for **LASHER**.

# Jake Jacobs

When you come to a LASHER show, you had better get your drink in a safe plastic cup. When this vocal chameleon kicks in, glasses will shatter. Whether its screaming crystalline highs in found in "Steelheart" or powerful gravel in "Static X", it's always right at home for this vocally versatile pro. Jake has had 7 years opera training and has a BS/BA Vocal Music Education degree with an emphasis on Vocal Pedagogy to solidify his mutant ability. JAKE has performed in Nationally Touring Acappella groups "Blind Man's Bluff", "Tonic Sol-Fa", and "Profile". Other groups JAKE has fronted have been "Karma", "The Killer Klowns", "Common Ground", and "Cool Reign".

# Brian Stevens

Brian Stevens sets the tempo for LASHER. Brian is the ultimate balls out, aggressive, most extreme spectacle imaginable. In his massive show, he incorporates many stick tricks like twirls, tosses, and juggling. 200% goes into everything he does; whether he's teaching, speaking to schools, competing, or performing live. Over 20 years experience has formed this musician into a human metronome. Former bands include "Toybox", "Fatal Vision", "Tease", and "Premonition. Brian is loud, aggressive, and totally dedicated to the art of drumming.

# Jon Jensen

Prepare to get force-fed a plate of skull-crushing bass. JON delivers a ground shaking display of intricate yet body-slamming bass, blending vocals and catchy, interactive showmanship. JON's arsenal includes 4,5, and 6 string jackhammers, guitars, keyboards, sax, clarinet, and sings lead vocals and solid harmony. A few of the projects dominated the stage with include: "Mad Hatter", "Highway Gypsy", "Nuisance", "The Killer Klowns", and "RadioFace". His many years of playing and entertaining is evident in his flawless, jaw-dropping performance style. He has toured nationally and brings one ton of talent and experience to LASHER.

# Gary Bergman

GARY is the guitar wizard in LASHER. He assaults the crowds with a barrage of deep metal crunch, blazing leads, and killer vocal harmonies. GARY is a vital ingredient to any serious project and a natural talent. Over 25 years have been spent honing in his craft, living music every day. You won't believe your ears and eyes. Other projects driven by GARY have included "Charade", "Alloy", "Society's Child", "Ventt", "Mr. Crowley", and "Zealous". His performance emulates his influences like Randy Rhoads, Jake E. Lee, Steve Clark, Mick Mars, and Dave Mustaine.
